Certificate

AI Designer

We confirm that:

Jakob Maser

has finished our program successfully and aquired the following skills:

- Translated creative concepts into visual outputs using AI-assisted ideation workflows
- Produced brand-consistent image assets using generative design techniques
- Created character concepts and ensured visual consistency across media
- Utilized AI tools to support the production of dynamic video and audio content
- Applied low-code techniques to build on-brand creative outputs efficiently
- Combined text-based inputs and visual storytelling to accelerate the design process
